Hello Paul,

On April 24, 2017 an advertisement was placed in the classified section of the Lowell Sun requesting proposals for Personal Property revaluation services to be received by May 8, 2017. In addition to the ad, RFP packets were mailed to numerous qualified contractors. On Monday May 8, the bid was opened and the successful bidder was Real Estate Research Consultants (RRC) for $66,000. Founded in 1982 RRC has contracted with dozens of communities and we have used their services and software for over 10 year. If you have any questions please feel free to contact me at any time.
