Hearing:

General Managers and Chief Certified Pool Operator (CPO) from the Radisson Hotel and Suites attended the hearing to present an appeal for their Weekday Lifeguard Variance beginning at 6:30 pm.

The Health Board and Health Inspector Mark Masiello reviewed the supplied documentation with the Radisson Management regarding their pool logs and chemical logs which were not in compliance with code regulations and therefore the Radisson was declined a Weekday Lifeguard Variance.

Mr. Masiello presented some solutions to the Radisson personnel to rectify the problems at the Radisson pool including hiring a pool company to take over the chemical testing and balancing of the pool water.

Upon Motion made by Nicholas H. Parlee, seconded by Eric Meikle, MD, it was voted unanimously to accept two months (eight weeks) of clean and accurate swimming pool records (logs) with a full-time Lifeguard on duty from the Radisson Hotel and Suites which include bather load and chemical testing to be provided to the Board to reconsider the Weekday Lifeguard Variance request which will be reviewed at the May 7, 2018 Board Meeting.
