

DLTA XIII Project Description

This one-page form has been designed to provide summary information for your request for DLTA XIII technical assistance from NMCOG. Separate forms should be submitted for each requested project. Applicants should review the NMCOG DLTA XIII Project Criteria to determine how the proposed project meets the criteria before submitting the form. These project forms will be reviewed for their consistency with the Project Criteria and the purposes of the DLTA XIII program, and local communities will be notified no later than January 23, 2020 on the acceptance of each project submission. If you need to provide more information, attach an additional sheet to this project description form.

The DLTA XIII form(s) should be submitted to Jay Donovan **by 5:00 P.M. on Tuesday, January 21, 2020**, in order to be considered for technical assistance support from NMCOG staff under this program. Completed forms can be mailed to NMCOG at 40 Church Street, Lowell, MA 01852-2686, faxed to (978) 454-8023 or e-mailed to jdonovan@nmcog.org. If you have any questions or require any additional information, please contact Jay Donovan directly at (978) 454-8021 ext. 116.

Phone: 978-244-3341 _____ Fax: _____ E-mail: ebelansky@townofchelmsford.us

Project Classification: Planning Ahead for Housing _____ Planning Ahead for Growth X _____
(check one)

Supporting the Community Compact, including regionalization _____
(Is this project based upon your Community Compact submission – Yes or No?)

Housing Choice Initiative _____

Project Description:

Continue to Provide services to assist a citizens committee to update the 2010 Master Plan. As an update, not all sections of the 2010 MP will need a comprehensive update. Sections in which services are requested include, Land Use and Zoning, Economic Development, Transportation and Housing. Several new sections such as Climate Change and Resiliency and Sustainability are also proposed.

New services will include final formatting / publishing of the 2020 Master Plan.

Process would include a SWOT and three Vision Sessions.

Requesting \$25,000 in DLTA funds.

Est. project timeframe? 1-27-20- 21-31-20 _____ Est. NMCOG Staff Time – 250 hours
(between 1/27/20 and 12/31/20) (No. of hours)

Describe how this project addresses the specific project criteria for the project classification:

This project would support Planning ahead for growth by developing and updating components of the towns master plan and providing technical assistance that supports the implementation of strategies which are designed to advance well planned growth and development policies and practices.

What specific products will be generated as a result of this project?

Sections of the Master Plan and results of a SWOT.
