From: Stephen Jahnle – Assistant Director of Public Works

**RE: Pole Petitions – Billerica Road and Riverneck Road**

Dear Board members,

This office has reviewed the pole petitions for the above referenced location. Based on our review of National Grid plans 28017006 dated July 10, 2019, 24796669 dated July 11, 2019 and plan 24796669 dated April 17, 2019 and field observations of proposed location, this office recommends for approval of the petition.

Please note that these relocations are part of the Billerica Road and Riverneck Road intersection improvement project.

Please do not hesitate to call if you have any questions.
