Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID
Of NORTH ANDOVER, MASSACHUSETTS
For Electric Conduit Location:

To the Board of Selectmen of Chelmsford, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Wiggin St. - Chelmsford, Massachusetts.

The following are the streets and highways referred to:

29491618 Wiggin St. - National Grid to replace direct buried cable on Wiggin St.
National Grid to install +/- 40 feet of 2-3inch conduit w/ UG Primary from pole 52 to Pullbox-1.
National Grid to Install +/- 600 feet of 1-2inch cable in conduit from Pullbox 1 to Pad-1.

Location approximately as shown on plan attached.

Massachusetts Electric Company d/b/a
NATIONAL GRID
BY _____
Engineering Department

Dave Johnson/lla

Dated: February 13, 2020

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 13th day of February 2020.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – Wiggin St. - Chelmsford, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

29491618 Wiggin St. - National Grid to replace direct buried cable on Wiggin St. National Grid to install +/- 40 feet of 2-3inch conduit w/ UG Primary from pole 52 to Pullbox-1. National Grid to Install +/- 600 feet of 1-2inch cable in conduit from Pullbox 1 to Pad-1.

I hereby certify that the foregoing order was adopted at a meeting of the
.....
....., held on the day of, 20
....., 20

Received and entered in the records of location orders of the City/Town of
Book Page

RE: Conduit Petition – Wiggin Street

Dear Board members,

This office has reviewed the conduit petition for the above referenced location. Based on our review of National Grid plan 29491618 dated February 6, 2020 and field observations of proposed location, this office recommends for approval of the petition.

Please note that these road opening permit will be required from the DPW Highway Division for the work.

Please do not hesitate to call if you have any questions.
