

Traffic Committee Project Update

Completed Actions

- Westford Street and Dalton Street - installed 25 mph suggested speed limit and intersection ahead – use caution signage
- Flashing LED STOP signs installed for School and Graniteville

New Actions

Request Select Board to approve the following:

- Locke Road signage - to install a “Stop ahead” sign before the curve
- Pilgrim and Graniteville Road – to install a STOP sign on Pilgrim

Traffic Committee to review:

- Byam and Locust intersection safety per resident request
- Consistency and adequacy of Parking signs in Chelmsford Center
