Hi Courtney,

Please forward to your contact at Solitude, who should be prepared to join Mr. Bogue (he is the DEP representative) in the pontoon boat being provided by the abutter.

Thanks,
David

Hi
Unfortunately due to a medical issue I am dealing with, I have to reschedule the site visit to **Thursday August 25 at 11:00**. If any problems with this date let me know.

So it looks like 6 people plus the owner who will drive us around. I will get back to you on how many people it carries, he left for the day.

Pontoon boat sounds perfect. How many people does it carry?
I will probably bring another DEP person with me. I would like to go around the entire lake looking at plants and their densities so I'm guessing maybe between an hour or two.
The SOLitude rep may want to go with us as well.
Thanks

Mr. Bogue,

I have sealed a pontoon boat available for this Thursday from one of our lake abutters. He just wanted to know approximately how long would your survey take so he can plan accordingly.

Thank you,

Wanda Dunn
