

Town of Chelmsford Historic District Commission

Minutes of Meeting of April 10, 2023

Ms. Lovering Belden called the meeting of the Historic District Commission (HDC) to order at 6:00 P.M. at the Central Congregational Church parking lot. Members present were Brenda Lovering, Donna Ready, Lisa Grasso and Deb Taverna. Others present were John Carson, Suzanne Dionne, and Al Ligiori.

Scheduled Business

The Central Co-op Nursery School has a playground that has a drainage problem. The proposed work is to build a 2 foot retaining wall with a crushed stone trench 42 – 48 inches deep. The playground will be expanded with a black chain link fence with a gate through the existing play area. A rail will surround the top of the play area fencing which will make the fencing 4 feet high. The nature area would not have a top rail. Arborvitae and rhododendrons will be planted as screening. Work to begin in June 2023.

Ms. Taverna moved to approve the fencing as presented, waiving the fee and abutter notifications. Work is to be completed by November 1, 2023. Ms. Grasso seconded. Approval was voted unanimously.

Meeting adjourned at 6.25 P.M.
