Alcohol License Amendment Process

The Chelmsford Select Board, as the Local Licensing Authority (LLA), issues Alcohol Licenses in accordance with M.G.L. Chapter 138. Unlicensed alcohol sales are strictly prohibited. It is the responsibility of the applicant to be fully versed in all relevant laws, rules, and regulations pertaining to the sale of alcohol.

There are many types of license amendments, and each type has different document, advertising, and abutter notification requirements. Details can be found on the ABCC website at:

<https://www.mass.gov/guides/amending-your-alcoholic-beverages-retail-license-abcc>

Alcohol licensing is a three-phase process which takes approximately 3 months for approval:

1. Town approval (approx. 4-5 weeks);
2. State Alcoholic Beverages Control Commission (ABCC) approval (approx. 6-8 weeks); and
3. Town issuance of the license.

PHASE 1: Applicants must complete the following steps:

- Confirm proper zoning of the proposed location with the Building Inspector if applicable (change of location)
- Obtain a Business Certificate from the Town Clerk's Office if applicable per M.G.L. c. 110 §5 (doing business under any title other than the real name of the person, partners, or registered company conducting the business) <https://www.townofchelmsford.us/248/Business-Certificates>
- Complete Town Application for License - General (enclosed)
- Complete the applicant portion of the Town Departmental Review Sheet for Select Board License Applications (enclosed)
- (ONLY FOR SECTION 12 ON-PREMISES LICENSES APPLYING FOR AN ALTERATION OF PREMISES OR CHANGE OF LOCATION) Provide a plan of the property showing the location of counters, tables, ranges, toilets, and in general the set-up of the premises. If this is a proposed plan, also include an itemized cost estimate of said facilities. (Provide this plan to appropriate departments when obtaining signatures) (*MGL c.140 §6*)
- Go to the state ABCC website at: <https://www.mass.gov/guides/amending-your-alcoholic-beverages-retail-license-abcc>. Here you will find instructions along with application forms and document requirements for each type of amendment.

- Complete and print the required forms and prepare all required documents.
- For some amendments, the ABCC requires a Certificate of Good Standing from the Massachusetts Department of Revenue (DOR) (<https://www.mass.gov/how-to/request-a-certificate-of-good-standing-tax-compliance-or-a-corporate-tax-lien-waiver>) and a Certificate of Compliance from the Department of Unemployment Assistance (DUA) (<https://www.mass.gov/files/documents/2018/09/06/DUA%20COMPLIANCE%20DIRECTIONS.pdf>). Please note that the DOR certificate may take 7 to 14 business days for new accounts or as little as 48 hours for existing accounts.
- Pay the \$200 ABCC application fee online and print the payment receipt.
- Submit the \$100 alteration of liquor license filing fee payable to the Town of Chelmsford, along with all completed application documents.

Upon completion of the above application requirements, **a hearing before the Select Board will be scheduled**. Some types of amendments require that this be an advertised Public Hearing, and some types require abutter notification. Due to the regular meeting schedule and advertising requirements, this hearing may be approximately three weeks after application submission.

- For Public Hearings, a Public Hearing Notice must be published in the local newspaper at least 10 days prior to the hearing. This office will place the ad which will be paid for by the applicant.
 - If abutter notification is required, within three days after publication of the ad, the applicant must send a copy of the Public Hearing notice via certified US Mail, return receipt requested to owners of all property abutting on the premises and to any schools, hospitals, and churches within a radius of 500 feet of the premises. A list of abutters and a copy of the notice will be provided to you.
- Applicant or a representative must attend hearings before the Select Board and if abutter notification is required, white mailing receipts and green return receipt cards from abutter notifications must be presented at this time.

After the Select Board approves the license, your application and LLA Certification will be sent to the ABCC by this office.

PHASE 2: ABCC investigation:

- Cooperate with the ABCC investigator in answering any questions or providing any requested documentation in a timely manner
- The ABCC will notify you of their decision via e-mail

PHASE 3: After ABCC approval, you will be required to submit the following:

- (IF CHANGE OF MANAGER) Provide proof of TIPS/BAT Certification for the new license manager
(*Town of Chelmsford Liquor & Common Victualler License Regulations §2.09*)
- Crowd Manager Certification if newly applicable (only applicable to nightclubs, dance halls, discothèques, and bars with an occupancy load of 100 persons or more) <https://www.mass.gov/crowd-manager-regulations-and-training-program>

Once new location or any alterations of the premises are completed according to the plans submitted and the proper certifications have been obtained from the Board of Health and the Building Department, the amended license will be issued.

3 LICENSING

3-1 LICENSE PERMITS VS. TAX DELINQUENCY

It shall be the policy of the Town of Chelmsford to deny the application for any license or permit to any individual, business or corporation that is in tax delinquency with the Town. The Town Manager, their administration and the various licensing boards and agencies in the Town will develop and enforce the necessary procedures to implement this policy within the framework of the prevailing local and state laws.

Furthermore, it shall be the policy of the Town of Chelmsford not to renew any license or permit previously granted to any individual, business or corporation that is in tax delinquency with the Town. Again, the Town Manager, their administration and the various licensing boards and agencies in the Town will develop and enforce the necessary procedures to implement this policy within the framework of the prevailing local and state laws.

3-2 APPROVAL OF NEW OR TRANSFERRED ALCOHOL BEVERAGE LICENSES

The Chelmsford Select Board recognizes that paramount among its responsibilities as the licensing authority for the issuance of alcohol beverage licensing for package stores and restaurants is the preservation of public safety, while at the same time reflecting due concern for the convenience and needs of Town residents. In furtherance of this responsibility, the Board recognizes that after a public hearing on license applications, additional information might be required and/or new information might become available which would necessitate the Board’s consideration prior to any formal vote.

Therefore, with respect to its consideration for approval of any application filed with the Board for the issuance of a new or transfer of ownership of an existing alcohol beverage license, whether for a package store or restaurant, the Select Board shall, as a matter of policy, postpone any final vote on the application until the next meeting of the Board. The Board may waive this policy at its discretion.

This policy shall be attached to the Town of Chelmsford's application forms so as to place all applicants on notice of the Board's policy.

3-3 PETITIONS TO REVIEW CONDITIONS PLACED ON ALCOHOLIC BEVERAGE LICENSES

Prior to amendment of any condition or restriction placed on an alcoholic beverage license, the Petitioner shall notify the abutters, in the same manner as required for an original application for license, of the time and place of the hearing specifying the substance of the petition.

3-4 PACKAGE STORE LICENSE APPROVAL

The Chelmsford Select Board recognizes that paramount among its responsibilities as the licensing authority for the issuance of the licensing of package stores is the preservation of public safety while at the same time reflecting due concern for the convenience and needs of Town residents.

With respect to its consideration of any application filed with the Board for the issuance or transfer of any license for the retail sale of alcohol (package store), the Board shall be required to consider, and make specific findings of fact with respect to, the following factors:

- a. Experience of the prospective licensee and manager in the responsible distribution of alcoholic beverages to the public;
- b. Safeguards that the prospective licensee commits to install in its premises as a condition of licensure to guard against the sale of alcoholic beverages to minors or to persons already under the influence of alcohol;
- c. Whether the specific area of Town in which the prospective licensee seeks to locate its license premises is already served by other licensed premises.

3-4.1 Mixed Use Package Store Licenses

It shall be the policy of the Chelmsford Select Board not to issue any alcohol licenses to establishments which are defined by law as "food stores" including but not limited to retail vendors such as convenience stores, grocery stores, supermarkets, shops, clubs, outlets, or warehouse type sellers, that sell food to consumers to be eaten elsewhere.

3-5 CARRY-IN ALCOHOL CONSUMPTION

Anyone requesting permission to allow patrons to bring their own alcohol on premise must submit an application, and schedule a public hearing in the same manner that a Restaurant Alcohol License requires.

The holder of this license may apply for a One Day Beer and Wine License for special events, in which case the rules for that license take precedence.

License renewal will follow the same rules and schedule as other alcohol license requirements. The annual fee for this license shall be 25% of the fee charged for a Restaurant Beer & Wine License.

3-6 PUB BREWERIES LICENSES

For the purposes of this policy, the definition for a pub brewery shall use that provided in Mass. General Law and/or ABCC Regulations which cover them.

The annual Restaurant alcohol license fee will be waived for the first three years the establishment maintains a license in Chelmsford.

The establishment shall follow all regulations as set out by other departments, and existing policies, including any requirement by the Board of Health regarding the availability of food on-premises during operating hours.

The Select Board will “reserve” two (2) Restaurant alcohol licenses for this type of establishment. However, that does not preclude more than two being licensed.

Liquor & Common Victualler License Regulations

Chelmsford Select Board Licensing Authority

LIQUOR LICENSE REGULATIONS

INTRODUCTION

In issuing regulations, the Select Board, as the local licensing authority of the Town of Chelmsford, is setting forth the expectations of the residents of Chelmsford as to the conduct of the Town's liquor license holders. A significant objective of the regulations is the prevention of violations. In familiarizing themselves with these regulations, license holders will realize that much is expected of them. The Select Board believes that violations will be prevented because these regulations will require liquor license holders to operate in accordance with a clearly defined standard.

SECTION 1: GENERAL LICENSING RULES FOR LICENSEES

1.01 LICENSING AUTHORITY:

These regulations are adopted, and may be amended from time to time, by the Chelmsford Licensing Authority, pursuant to the provisions of Massachusetts General Laws, Chapter 138 and Chapter 140. Any and all alcoholic beverages and common victualler licenses issued by the Licensing Authority shall be governed by these regulations, Massachusetts General Laws, Chapter 138 and Chapter 140, and the rules and regulations of the Alcoholic Beverages Control Commission (ABCC) of the Commonwealth of Massachusetts, as the same may be amended from time to time. Wherever a statute or ABCC regulation provides a stricter standard than contained in these regulations, the stricter standard shall apply.

1.02 FILING OF APPLICATIONS:

All license applications must be complete, in order to be processed by the Licensing Authority. The office of the Licensing Authority has a complete instruction packet regarding the filing of applications which lists information that will be required as well as the various forms. In many instances a legal notice, paid for by the applicant, will be required and immediate abutters notified of the date of the public hearing. Complete information regarding legal notice and notification to abutters is available at the office of the Licensing Authority. While the office of the Licensing Authority will assist any individual with the filing of an application, it is not the responsibility of the office staff to fill out and complete the application and forms required by the Town and the Commonwealth of Massachusetts. It is the responsibility of the applicant to be fully versed in all relevant laws, rules, and regulations pertaining to the sale of food and/or alcohol. Ignorance of the law may not be used as a defense of procedural mistakes or illegal behavior.

1.03 FILING FEES:

Filing fees must be paid when the application is filed at the office of the Licensing Authority. Fees will vary depending upon the type of application submitted. Town filing fees, if paid for by check, must be payable to the "Town of Chelmsford". Filing fees required by the Alcoholic Beverages Control Commission must be paid directly to the state in the manner prescribed by the ABCC. Filing fees are not returnable once an

application has been accepted by the office of the Licensing Authority. No approved licenses will be issued on any checks returned by the bank or if any outstanding monies of whatever kind are due to the town.

1.04 ANNUAL LICENSE FEES:

Annual license fees must be paid prior to the issuance of any new or existing license. License fees are not refundable. License fees for newly issued liquor licenses shall be prorated by quarter-year increments.

1.05 COMPLIANCE WITH ALL LAWS AND REGULATIONS:

All licensees shall maintain their premises and operations in full compliance with all applicable state and local building codes, all health and sanitary codes, Town bylaws and Zoning bylaws and regulations. All taxes and charges owed to the Town of Chelmsford must be paid on a current basis. Failure to comply with any of these laws and regulations shall be sufficient cause for revocation, suspension or modification of the license.

1.06 CESSATION OF OPERATIONS:

Any licensee intending to close a place of business for more than 30 days, whether on a temporary or permanent basis, must notify the Licensing Authority in writing before such closing stating the reason and length of such closing.

1.07 BANKRUPTCY AND COURT PROCEEDINGS:

The licensee shall immediately notify, in writing, the Licensing Authority of any proceedings brought by or against the licensee under the laws or in any court or any proceedings before any state and/or federal agencies which may affect the status of the license.

1.08 MANAGER'S RESPONSIBILITIES:

The Manager shall at all times maintain order and decorum in the premises and in the immediately surrounding area of their premises and shall cooperate in all ways with town officials in ensuring safe and orderly facilities. There shall be no disorder, indecency, prostitution, lewdness or illegal gambling on the licensed premises. The manager shall ensure that no indecent, obscene, or immoral activity take place on the premises. The manager will ensure that noise does not become disturbing to abutters and/or neighbors.

1.09 DISCRIMINATION PROHIBITED:

No licensee shall make any distinction, discrimination or restriction relative to the admission or treatment of any person.

1.10 SUSPENSION, REVOCATION, OR MODIFICATION OF LICENSE:

All licenses are subject to suspension, revocation or modification for breach of any condition, regulations or laws of the Town or Commonwealth. The Licensing Authority reserves the right to add, modify or amend any license conditions after notice and/or hearing, if required, to the licensee.

1.11 DISPLAY OF LICENSES AND PERMITS:

All licenses and permits issued by the Town shall be displayed on the licensed premises in a conspicuous place to which the public has access and may read.

- 1.12 HOURS OF OPERATION - (SEE HOURS OF OPERATION UPON YOUR LICENSE):
The hours of operation shall be restricted to those set by the Licensing Authority. No patrons shall be on the premises before the official opening hours nor fifteen (15) minutes after the official closing hours. Customers must leave the licensed premises before fifteen (15) minutes after the official closing hour.
- 1.13 ACCESS TO PREMISES BY POLICE AND AGENTS:
The licensee is responsible to ensure that procedures are in place, be it by posting a person or otherwise, to allow police, the Licensing Authority and/or authorized agents of the Licensing Authority, immediate entrance into the licensed premises at anytime employees or agents of the licensee or others are on the premises. Any delay in providing such access may be cause for action against the licensee.
- 1.14 INSPECTION OF PREMISES:
The licensed premises shall be subject to inspection by the members of the Licensing Authority and duly authorized agents of the Licensing Authority. Any hindrance or delay of such inspection caused by an owner or an employee of the licensee may be cause for action against the licensee.
- 1.15 POSTING OF SUSPENSION NOTICE:
Whenever the Licensing Authority suspends the license or licenses of any licensee, the licensing Authority shall provide the licensee with a sign containing the words, "Closed by Order of the Licensing Authority of the Town of Chelmsford", which sign shall be attached on the inside but visible from the outside of the licensed premises in a conspicuous place(s) during the entire period of such suspension.
- 1.16 REFUSE REMOVAL:
All refuse shall be stored in a dumpster or in such other manner as approved by the Chelmsford Board of Health, and shall be maintained in accordance with the regulations and conditions of the Chelmsford Board of Health. Any rules and regulations of state agencies and Mass. General Law which conflict with Chelmsford Board of Health regulations shall supersede this section.
- 1.17 CLEAR VIEW OF PREMISES' INTERIOR:
No advertising matter, screen, curtain or other obstruction which in the opinion of the Licensing Authority, or agent of the Licensing Authority, prevents a clear view of the interior of the premises shall be maintained in or on any window or door thereof after the Licensing Authority has ordered the removal of such obstruction.
- 1.18 INTERIOR/EXTERIOR LIGHTING:
The interior of the premises shall be sufficiently lighted at all times and all exits shall be properly designated by lighted signs, stating "Exit" as required by the Building Department of the Town or by the Fire Prevention Officer of the Town. The off-street

parking area shall have exterior lighting of adequate and sufficient lighting capacity and in conformance with any applicable bylaws of the Town, to ensure the safety of patrons and employees.

1.19 CHANGES TO PREMISES OR OPERATION:

Any internal or external alterations to the physical description and appearance of the licensed premises, including, but not limited to, renovation work, and the nature of and/or general operation of the licensed premises, must receive approval from the Licensing Authority.

No physical changes to the interior or exterior of the licensed premises shall be made without the prior approval of the Licensing Authority. Any changes to the original plans must be approved by the Licensing Authority prior to any work commencing. Changes must be approved by the Licensing Authority and any other Board or Commission having jurisdiction. All plans and documents submitted shall be in form as specified in instructions provided by the Select Board office.

Approval of plans and the issuing of necessary permits by the appropriate departments such as the Health Department, Fire Prevention Office, Building Department or special permit use approved by the Town of Chelmsford, does not constitute approval by the Licensing Authority. Separate approval must be received from the Licensing Authority before any work is started. The only exception to this will be work of an emergency nature. Any work reasonably classified as “emergency work” must be documented and submitted to the licensing authority within five (5) business days of the commencing of the work.

1.20 POLICE COMPLAINTS:

Any police complaints and/or reports presently on file, shall continue in force until dispositive action upon them is taken.

1.21 AESTHETICS:

The licensed premises and property shall be cleaned daily of all trash, litter or debris to ensure a safe clean location.

SECTION 2: GENERAL LICENSING RULES FOR ALCOHOL LICENSEES

2.01 CORPORATE AND TRADE NAMES:

No licensee shall assume obligations for a licensed premises under any corporate or trade name other than that under which he or she is licensed. Any change in corporate name or any change in trade name (DBA) shall require the prior approval of the Licensing Authority. (MGL c.138, s. 15A)

2.02 CORPORATE TRANSACTIONS AND CHANGE OF MANAGERS:

The licensee shall not change managers, change corporate officers/directors/LLC managers, change corporate structure, sell or transfer corporate stock, pledge corporate stock or liquor license as security, or accept a loan or credit from another licensee without

first obtaining the approval of the Licensing Authority. No person may have a direct or indirect beneficial interest in a license without first obtaining the approval of the Licensing Authority, except under Massachusetts General Laws, Chapter 138, section 15A, which states, *“Provisions of this section shall not apply to stockholders of a corporation whose stock is listed for sale to the general public with the Securities and Exchange Commission and who hold less than ten percent of the outstanding stock entitled to vote at the annual meeting of the said corporation.”*

2.03 FORECLOSURE ON LOANS:

The assignment of stock in incorporated licensed premises for the purpose of safeguarding the assignee on loans, or like matters, does not authorize such assignee to conduct the business of the licensee; and therefore, licensees must notify the Licensing Authority immediately when the assignee forecloses under such assignment of stock.

2.04 MANAGER:

No corporation shall be approved for a license unless the corporation, by affirmative vote of a majority of its Board of Directors and duly affirmed by the Clerk of the Corporation, has appointed a Manager who is a United States citizen and who has been vested with full authority and control of the premises and the business to be licensed. The Manager shall have total responsibility for the proper operation of the licensed premises, whether present or not. TIPS certification must be completed every three years. Managers must provide the Town with a current valid certificate. All other employees of the licensed establishment such as cashiers and waitresses who sell alcoholic beverages shall complete TIPS certification within 30 days of employment.

2.10 VERIFICATION OF TRAINING:

A copy of the TIPS certificate for each employee, and signed acknowledgement indicating that the employee understands the written policy describing his or her responsibilities and the disciplinary action which will be taken for violations, shall be maintained on the licensed premises at all times. Copies of all such documents and certifications shall be available to the licensing authority, or any authorized agent thereof, upon demand.
